

## Why You Should Get Renters Insurance?

- Beal Properties does not cover your personal belongings.
- It's mandatory and stated in your lease.
- It's affordable.
- It covers losses to personal property.
- It provides liability coverage.
- It covers your belongings when you travel.

Renter's insurance provides coverage for your personal belongings, whether they are in your home, car or with you while you're on vacation. In addition, renter's insurance provides liability coverage in case someone is injured in your home or if you accidentally cause injury to someone. If you do not currently have renters insurance, we strongly recommend that you obtain coverage immediately.
